THE 2021[®]
BIG
DRAW
FESTIVAL

Pupils in The Hive Class have been using their creative talents this week to enter the 2021 Big Draw festival organised by Inspire: Culture, Learning and Libraries. They are working in partnership with a Mayflower 400 project to explore ideas of **place and belonging** within the community. The theme is **Faces and Places** and pupils were asked to draw their self portrait. We had fun with mirrors to make observations for our self portraits and then learnt how to technically draw a face step by step. The pupils were fantastic with their enthusiasm and attention to detail and then, once they were confident, drew their portraits on to a card coaster. Finally they had to add some text about the place they live...our most popular adjective was **Marvelous**...for **Marvellous Mattersey** of course!

Here are some of the final **marvellous** and **magnificent** designs from the **multi-talented Mattersey** pupils:

We have a vacancy for a parent governor. This is a real opportunity to be involved in our small school and, with my new appointment as Head Teacher, a perfect time to join our new governing body. No special qualifications are needed- the most important thing is to have a keen interest in our school. Please come and speak to me if you would be interested and to find out more information. Many thanks, Mrs Wilson.

We are very proud of our small staff team at Mattersey and, on National Teaching Assistant Day on the 16th September, we wanted to say thank you to our fabulous teaching assistants. We are so fortunate to have such nurturing and caring staff and so they all got a special thank you chocolate treat!
