FRIDAY 5 NOVEMBER 2021

Welcome back to the second part of the Autumn term.

We have been so busy with our learning this week and enjoyed a range of enrichment activities which are so important for our pupils' personal development. Miss Cheyette has organised enrichment PE this half term and both classes have enjoyed learning Archery. Hive Class were treated to a fabulous Science workshop with a visiting scientist from Worksop College. Doctor Young shared his passion for Chemistry with some amazing experiments—the school was filled with the sound of bangs and the pupils thoroughly enjoyed the excitement of it all! They then finished off the week with lesson 1 of orienteering!

Monday 8 November
