

Mattersey Primary School

We All Matter At Mattersey

MPS News

FRIDAY 13 MAY 2022

It's been an important week in school. We are so proud of our Year 6 pupils, they have embraced SATS with maturity and resilience. I think the bacon and sausage sandwiches helped them feel prepared! Special thanks to Mrs Tasker for cooking them for us. They've enjoyed some downtime today, but we are back to it next week with Year 6 work—pupils now have to complete their writing assessments ready for the end of June. Then we will look towards preparing for transition week at the Elizabethan Academy on 6th –8th July.

ILLNESS IN SCHOOL: We have had a lot of illness in school this week. Please be vigilant of symptoms in your child. There is no longer a requirement to test for Covid, but please be mindful if your child is experiencing symptoms. We have had a number of pupils unwell with sickness too which can be very contagious. Many thanks.

...at Mattersey

It's so lovely to be celebrating another achievement from one of our pupils.

Emily is currently attending training for Retford United FC girls team. She goes every Tuesday evening to the training sessions where she practises dribbling, passing and shooting and she is hoping to be selected for the team. She shows such **ENTHUSIASM** for football and we know she is a superstar in the making!

This week we've been thinking about our **INDEPENDENCE** and keeping ourselves **SAFE**. We welcomed into school Road Safety Officers from Via East Midlands to run workshops on road safety for all of our pupils in school. Children learnt about traffic signs and the importance of wearing seatbelts and using car seats. We also explored how to be safe when walking to school and riding on our bikes and scooters. As our pupils develop their independence, it is really important that they know how to keep themselves as safe as possible. Older pupils listened to a talk and watched a video about road traffic and accidents- Year 5 and 6

pupils are preparing to transition to secondary school and so guidance for keeping themselves safe when catching buses and getting to school independently is an important part of this transition so we know that they leave Mattersey, prepared for the next steps of their lives.

Monday 9 May

Breakfast Club 8:15-8:45am
Orienteering After School Club (3:15– 4:15pm)
Interim Governing Body Meeting

DATES TO REMEMBER

Tuesday 10 May
