We All Matter at Mattersey

MPS News

FRIDAY 26 APRIL 2024

Our whole school attendance for this week is 93.2%
Well done to Nursery, Y3 and Y4 for 100% attendance.
Please support your child to attend school every day.
Every day matters. Every day counts!

"The more that you read, the more things you will know. The more that you learn, the more places you'll go". -Dr. Seuss

Reading and Rewards Cafe

We've had a truly lovely end to this week hosting our first Reading and Rewards cafe. We were joined by parents and governors to sit together and enjoy reading and refreshments. Staff across school then shared certificates with pupils to celebrate learning, progress and all of our What Matters at Mattersey learning characteristics— kindness, perseverance and enthusiasm were top of the list!

The benefits of reading to children include helping them build language skills, learn about the world, and develop empathy and emotional awareness. Reading together also provides an opportunity for parents and children to connect. It was so nice to see everyone enjoying time together to read.

Our new Reading Buddies: Burrow and Hive were also surprised with their new class reading buddies- Burrow Bunny & Hive Bee. Every week one pupil from each class will be chosen to take them home and enjoy reading with them. Miss Taylor and Miss Cheyette shared photos of their reading – and they have now been awarded to Joshua (Hive) and Bonnie (Burrow) who will read with them and bring them back next week. We can't wait to see the photographs!
